**This Week's Targets:**

Reading:  
Poetry  
Phonics: Individual Word  
Sorts/ou sound  
Grammar: Poetry

Writing: We will begin our Lucy Calkins study on Poetry! We will also finish publishing our personal narrative.

Math: We are beginning our unit on subtracting with regrouping!

Science and Social Studies: We will learn about George Washington Carver and Ladybird Johnson! We will also choose a topic to research!

**Bond Bites...**

Welcome back! I hope you had a wonderful Fall break!

This week marks the beginning of week 13 of second grade! We have 4 weeks of instruction before we are off for our Winter break! Our November Scholastic book order has been shipped and is on the way to school. When the book order arrives, I will pass the books out and send home the December book order. I am sending home a letter asking who wants to be our room parent for this year! Our holiday party is coming up in December and it will need some planning! Please look over the letter and return to me if you are interested! Thank you for signing up for See Saw! We will be using ipads to upload assignments and fun projects! Thanks for working on Xtra Math and Imagine Math at home, too!

Have a wonderful week!

Sincerely,  
Mrs. Bond

**Upcoming Events**

*Progress Reports will go home soon!*

*Our Holiday Party is quickly approaching!*

**Questions Your Child Should Be Able to Answer:**

1. What does compare and contrast mean?
2. What is 59-46=
3. How can I use See Saw with my family?
4. What is a life cycle?

**Our Wish List**

Christmas/Holiday stickers
